Tell us about your staff. "To support our back office, we maintain relationships with a law firm, CPA, bookkeeper and web/graphic marketing design firm to keep everything at the highest standard of accountability and creativity." **What's unique about Parasol Events?** "The fact that we are so forwarding thinking. There are many business firsts for us and because of that, we are leaders in the Oahu wedding consultant industry. If being copied is the sheerest form of flattery then we should be very flattered. Our business model has become a benchmark that other wedding consultants try to emulate."

“ Michael and I miss planning wedding stuff with you - we just don't know what to do with ourselves now. It was just too fun! We're enjoying married life. It seems so much sweeter.
